

Message from the Principal

On behalf of the entire Millersport Elementary School staff, I would like to welcome you and your child back to school. We hope you had a wonderful summer. There is nothing more precious than time spent with your child!

I am so excited to be principal of Millersport Elementary. I am deeply committed to children, and I want to help your child reach his or her potential in every way! This role gives me great pride and an awesome sense of responsibility. Before making any decision, I ask myself, "Is this in the best interest of children?"

As you may have heard, Millersport Elementary earned an *Effective* rating from the Ohio Department of Education. We are so proud of our teachers and students! We will continue to have high expectations for students-both academic and behavioral. We want this to be a happy place where children love to learn.

We will continue to strive to make this school a great place for children to learn. My door is always open. Please don't hesitate to contact me with any questions or concerns. I have two children of my own, and I try to view challenges through the eyes of a parent.

We believe that educating children is a partnership between home and school. We look forward to working with you this school year!

Yours in education,

Angie Harrison
Principal
