

Eastland-Fairfield Career & Technical Schools

Eastland-Fairfield Career & Technical School District programs are open to all eleventh and twelfth grade students within our district who demonstrate the ability and interest to attend.

Students remain enrolled in and still graduate from this school and are encouraged to continue participation in high school extracurricular activities.

With programs on two campuses and five satellite locations, we're closer than you think. Satellite programs are offered at Gahanna, Groveport Madison, New Albany, Pickerington North, and Reynoldsburg High Schools.

Connecting academics to real-world success

Eastland-Fairfield Career & Technical Schools allows students to immerse themselves in a career field or profession, spending a half-day learning hands-on and gaining real-world experience. Our classrooms and labs are equipped with the latest technology. Career-Technical Education focuses not only on the standards required in the workplace but also on the high academic standards required for college. Students learn from teachers who are seasoned professionals in their career field. Combine that with top-notch academics, and you have what employers call added value.

Fast track to a satisfying career

The Eastland-Fairfield learning environment extends far beyond the classroom. Internships, job shadowing, community service, field trips, guest speakers, and cooperative education all provide valuable experience, connections, and practice in using technical and people skills. All students benefit from Eastland-Fairfield's partnerships with business and industry. Over 300 local employers and educators help keep our programs in synch with the demands of the modern workplace.

Jump start on college and saving money

Not only do Eastland-Fairfield programs prepare students for further study, but many also allow students to earn college credit or enter college in advanced standing. Students can earn up to 43 credits in selected programs, graduating with a college transcript that can be taken nearly anywhere! How's that for a jump start?

Career & Tech- More than you think.

Explore the possibilities.

Eastland-Fairfield Career & Technical Schools offer nearly 40 programs for you to choose from while you're in high school. Our programs provide you with the opportunity to pursue your talents and biggest interests, whether you're planning to head on to college, or right into a real-world career. It's a head start that lets you explore your choices now...and can help you make the most of your big choices when you graduate.
